FLC20000M36A3A	M36	50	178	200000

Material: AISI 304 stainless steel (foot), 17.4 PH stainless steel (loading cell), blue silicone (gaskets) combined error $\leq \pm 0.1\%$ protection rating IP69K cable suitable for contact with foodstuff

RPSCQC hygienic system authorized by 3-A SSI

For applications where the 3-a certification is not required: the loading cell can be assembled on all Martin feet, even with a complete threaded screw or different materials (i.e. galvanized steel).
